LICENSED HEAVY DUTY TRUCK & TRANSPORT MECHANIC

Silvers' Garage is currently seeking **Licensed Heavy Duty Truck and Transport Mechanics** to join our team.

We are a longtime franchised **International Truck** Dealership for medium, heavy and severe service trucks doing parts and service work on all makes of vehicles and trailers.

We are seeking positive, energetic individuals to join our service team with a commitment to customer service, pride in workmanship and a desire to grow with an aggressive company. Candidates must be conscious of all safety aspects, with an ability and desire to produce top quality work. Candidates must be willing to participate in ongoing training as provided. Candidates must have their own tools.

The successful candidate must also:

- have a clean drivers abstract,
- possess an ability to work with minimum supervision,
- be trustworthy and have good verbal and written communication skills,
- possess an ability and desire to learn,
- have good diagnostic computer skills.

Essential skills and experience:

- experience in electrical & electronic systems, air conditioning, hydraulics, etc.
- familiarity with preventative maintenance services,
- ability to diagnose & repair air brake & air suspension systems,
- experience with diesel equipment such as Cat, Cummins, Detroit and International an asset,
- motor vehicle inspection license,
- air brake license an asset, Class 1 Driver's License an asset,
- experience with alignments.

We offer competitive wages, group insurance benefits and an RRSP matching contribution program. There is in-depth factory training (online), in-class and in-shop training with advancement.

If this sounds like a perfect fit with your experience, please send your résumé, supporting documents and references to:
